WATCH THE PENNIES.

A Railway Official Points Out How Small Savings Count Up.

The general manager of a great railway system has issued a circular to the men under him in which he requests them to be economical with the company's money. He pointed out that if each employee, by watching his pennies and saving the system only five cents a day, the total savings would amount to many thousands of dollars every month. If a great corporation thinks it necessary to look after the pennies closely, how much more important is it that men and women on small salaries should do so? Five cents wasted every day amounts in a year to \$15—as much as the average man earns in a week. He is unwise, therefore, to watch his pennies—to save them and put them in a strong bank. The First National of Connelville, for instance, where savings are absolutely safe and interest is paid.

Suppose You Were a Miller, Madam—

And you bought choice wheat—

Then washed and brushed and scoured it—

Then ground it 20 times, through 20 rolls—

Then sifted the flour 10 times through silk, so that none but the cream came through—

All this without added price.

Suppose you did that. Would you consider a housewife fair to herself if she failed to get that flour?

That's what we do with Gold Medal—and more.

We even run a test kitchen, where we bake up samples of each day's run.

Just to be certain—all the time—that every sack of Gold Medal equals the best ever milled.

You can get that flour from any grocer if you'll only remember. Don't merely say "flour." Say—

Appearance at Court to Answer
Arson Charge—Thanksgiving
Services in Mill Town Yesterday.

Special to The Courier.

SCOTSDALE, Dec. 1.—It will be a matter of course and regret to his many friends in Scottdale to learn that W. J. Graef, for five years the energetic secretary of the Y. M. C. A., has resigned his place here and will go to Dubois to take the secretaryship of the association in that city.

The resignation was reluctantly accepted by the board of directors and Ralph G. Walker was elected Acting Secretary. Mr. Walker is a local boy and interested in all phases of the work. He is now employed in the office of the American Sheet & Tin Plate Company. Secretary Graef came here from Lorain, O., and the association has prospered in all its departments. He was at the head of the movement for raising the fund to build the new association building, and has been interested in all the forward movements of town. In going to Dubois he joins J. M. Schantz, former physical director here. Dubois is a city of 14,000, with a fine building. Davis and Mills, the evangelists, who were here a year ago, began a campaign in Dubois on Saturday. Mr. Graef expects to leave about the middle of December, accompanied by his wife and little son.

The Services Yesterday.

The Thanksgiving services opened with a well attended service at the Y. M. C. A. room and which began at 8 o'clock, in charge of R. G. Walker. At 9 o'clock the union services at the Baptist church attracted a larger congregation probably than has attended similar union services here in years, and an excellent sermon suitable to the day was preached by Rev. W. J. Mull, pastor of the Reformed church. Last evening the union services were again held in the Baptist church, at which time the speaker was Rev. Mr. Campbell of New Castle who told "How Lawrence County Went Dry," explaining what led up to the refusal of the judges of that county to issue any liquor licenses. There was also special music.

The furniture and undertaking firm of Owens & Ferguson has dissolved partnership, J. P. Owens retiring and former manager William Ferguson taking entire charge. This is one of the old firms of the town, and both of the members of the firm are well and widely known.

The State meeting will be held January 22 to 27 both inclusive.

Indigestion—Dyspepsia

is one of the most common and most distressing of modern diseases, and is the cause of much ill health. To keep your stomach in a healthy and strong condition and to get the proper nourishment from the food you eat, take

Duffy's Pure Malt Whiskey

It is a form of food easily digested, and when taken just before a meal stimulates the mucous surfaces and little glands of the stomach to a healthy action, causing a sufficient flow of the gastric juice to digest the food and it promotes perfect assimilation. It also secures the flow of saliva for the digestion of starchy food, preventing fermentation in the stomach and bowels.

If these diseases or other stomach troubles have already taken hold, Duffy's Pure Malt Whiskey will quickly restore the diseased to their natural healthy condition.

Duffy's Pure Malt Whiskey is the only whiskey kept by the Government as a medicinal during the Spanish-American War. Sold by druggists, grocers and dealers in bottled liquors, price \$1.00. If you can't procure it, let us know and we will tell you how to obtain it. Duffy's Pure Malt Whiskey is a healthy and delicious food for the sick and weak.

of Mrs. Gove, was married to Miss Daisy Nicola of Rutledge, by Rev. J. J. Funk, the bride's pastor. The ceremony was witnessed by a few friends of the contracting parties. The wedding march was played by Miss Pearl Kottell of Homer City, and after the wedding the couple left for the home of J. W. Burchholder, the father of the bridegroom near Confluence.

FOR SICK HEADACHE, SOUR STOMACH, LAZY LIVER OR SLUGGISH BOWELS.

Turn the screws out—the headache, biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by lazy liver, clogged bowels or an upset stomach. Don't put in another day of distress. Let Cascarets clean and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas, take the excess bile from your liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then you will feel great.

A Cascaret tonight will straighten you out by morning—a 10-cent box means a clear head and cheerfulness for months. Don't forget the children—small little insides need a good, gentle cleansing, too.

OLD NO. 527

For Years It Was Reported as "Hoo-doo" of the H. & O.

The death of Moses R. Wortman at Cumberland last week recalls some interesting history of the Connelldale division.

In 1892 he was running engine No. 527, Robert Reynolds, with whom he was working when he died, fired under him. Mr. Wortman continued running the 527 for only a few days, however, when he took charge of No. 615 which he ran for more than five years. The old engine No. 527 had somewhat the career of a hoodoo, after Mr. Wortman left it as many railroad men recall. It was the one that went through the Indian Creek bridge near Connelldale, April 9th, 1896. In this awful wreck which all railroaders of long service remember, Harry Fuller, conductor and Benjamin Fuller, brakeman, were killed. Both of these men belonged to the well known Fuller family of Cumberland. One of them was crushed by the wrecked cars and the other was drowned in Indian Creek into which the train plunged. The engineer, Mr. Reynolds, and the engineer, H. B. Atkinson of Connelldale escaped after a trying experience.

Mr. Reynolds was held down by wreckage to his waist in water when rescued. Eight years afterward the engineer, Mr. Atkinson accidentally stepped upon a nail in the yard of his home in Connelldale, took look-alike and died. Mr. Reynolds is the only survivor of the crew. Then engine was afterward overhauled and sent to the Wheeling division.

But Somerset Institute Program Was Out Short Yesterday.

COMPANY C TOOK A BIG PART

Paraded in Resplendent Blue Uniforms and Gave Exhibition Drill. Rev. King Delivered Union Sermon. Concert Company Last Evening.

Special to The Courier.
SOMERSET, Nov. 30.—The biggest crowd of the week attended today's sessions of the Somerset County Teachers' Institute, which convened here Monday, and Thanksgiving Day opened the annual gala season. The institute is proving the greatest attraction in many years.

Company C, Tenth Regiment, National Guard of Pennsylvania, of Somerset, commanded by Captain Samuel S. Crouse, turned out in blue uniforms and olive drab overcoats, giving a parade and several exhibition drills.

The annual Union Thanksgiving services were observed in the United Brethren church, the Rev. Dr. Hiram King, pastor of St. Paul's Reformed church, delivering the Thanksgiving sermon.

The program for the institute was out considerably shorter today than for the other days of the gathering in order to allow teachers and others ample time to participate in their Thanksgiving turkey. The Rev. J. D. Garrison opened this morning's session with devotional services, following which Dr. T. S. Lowden, of Columbus, O., lectured on "Disciplining the Adolescent" and Dr. John Davidson discussed "Educational Ideas," after a music drill by Prof. Robert J. McDowell, of Pittsburgh, and a vocal solo by Miss Jean Neff, of Indianapolis, Ind. "The Art of Questioning" was the theme of a lecture by Dr. C. H. Gardner, of Millersville, Pa., which preceded the closing musical instruction by Prof. Robert J. McDowell.

Dr. John Davidson was the first speaker this afternoon, his topic being "Culture and Character," while Prof. Robert J. McDowell conducted a music drill before Dr. C. H. Gardner told of "Charles Anderson, A. S. Educator," and Dr. T. S. Lowden gave an instructive description of "Kaiserland and People." The afternoon session closed with a music drill by Prof. Robert J. McDowell and a vocal solo by Miss Jean Neff.

This evening the Dudley Buck Concert Company will give the final evening entertainment of the institute, in the form of a musical review. The institute will close tomorrow at noon.

SOMERSET, Nov. 30.—Today's session of the fifty-fifth annual gathering of the Somerset County Teachers' Institute attracted considerably larger crowds than Monday and yesterday, the open house being jammed to such extent that the doors had to be closed during the lectures by the various instructors, in order that the connection caused by speaking and endeavoring to stand in the room would not interfere with a satisfactory execution of the program.

The Rev. Dr. Hiram King had charge of the devotional services, which opened this morning's session, being followed by a lecture by Dr. John Davidson, of Lima, O., on "The Post of American Freedom," and a music drill by Prof. Robert J. McDowell, of Pittsburgh, and a vocal solo by Miss Jean Neff, of Indianapolis, Ind., rendered a solo of "The First Lesson," by Dr. C. H. Gardner, of Millersville, Pa., while another music drill by Prof. Robert J. McDowell, of Pittsburgh, and a vocal solo by Miss Jean Neff, of Indianapolis, Ind., preceded the lecture by Dr. T. S. Lowden, of Columbus, O., on "Disciplining the Adolescent in the Home and in School."

This afternoon's program was introduced with a music drill by Prof. Robert J. McDowell, of Pittsburgh, and a vocal solo by Miss Jean Neff, of Indianapolis, Ind., followed by a lecture by Dr. C. H. Gardner, of Millersville, Pa., on "The Post of American Freedom," and a music drill by Prof. Robert J. McDowell, of Pittsburgh, and a vocal solo by Miss Jean Neff, of Indianapolis, Ind., preceded the lecture by Dr. T. S. Lowden, of Columbus, O., on "Disciplining the Adolescent in the Home and in School."

The twenty-second annual convention of the Somerset County School Directors' Association, which convened Tuesday, held its final session jointly with the Teachers' Institute in the opera house Wednesday afternoon.

The morning session opened at 9 o'clock with devotional exercises conducted by the Rev. H. A. Cook, of Johnstown, followed by a discussion of "Medical Inspection," by Dr. W. H. H. Schrock, of Sayreville, and Dr. J. B. Landerbaugh, of Addison. C. A. Bly, of Haverhill, Charles L. Pitt, of Garrett, and Dr. O. J. Shuck, of Vander, talked on "Responsibility of Directors for the Health of Children," after which queries feature the session for an hour. "The Directors Share in the Management of Schools," was the subject of discussion by George W. Collins of Meyersdale, and John E. Foster of Haverhill (the late David C. Foster of Sayreville, was also on the program, as one of the participants in this discussion, the program having been arranged before he was laid in a runaway accident some time ago.) "The Elementary and Public Schools," was discussed by the Hon. J. W. Endley, of Somerset; Levi Richter, of Sayreville, and L. G. Hix, of Somerset.

Dr. C. M. Gardiner, of Millersville, Pa., one of the institute instructors, addressed the Directors on "The Responsibility of the Public School System."

EASILY BREAKS A SEVERE COLD

In Just a Few Hours All Misyery From a Bad Cold or the Grippe Will Be Overcome.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

It is a positive fact that a dose of Pape's Cold Compound taken every two hours until three consecutive doses are taken, will end the Grippe and break up the most severe cold, either in the head, chest, back, stomach, limbs or any part of the body. It promptly relieves the most miserable headache, quinsiness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, nervous catarrh, discharges, soreness, stiffness and rheumatic twinges.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end Grippe misery so promptly and without any other assistance or bad after-effects, as a 25-cent package of Pape's Cold Compound which any druggist in the world can supply.

LITERARY PROGRAM

Was Presented Yesterday by Libertonian Literary Society.

EAST LIBERTY, Dec. 1.—The Libertonian Literary Society of the East Liberty public schools presented the following program yesterday afternoon at 2 o'clock and all members should be proud of the masterful way each piece was delivered. It was far the best program ever presented yet by either the Libertonian or Laconian societies.

The most laughable feature was the dialogue entitled "The Country Mouse and the City Mouse," presented by Miss Marie Reilly and Lucile Fulmer, representing the country girl and Miss Fulmer the city girl.

Other special features were recitations by Miss Marie Lint of Room No. 1 and George Earle Murray of Room No. 2, and a duet sang by Misses Eva Blay and Grace Schuyler of Room No. 3, and all others not personally mentioned were master of the situation at all times and the Laconians will have to do some tall hustling to beat this combination at the contest in February. The following program was rendered:

Awful Suffering of New Jersey Woman—Resolved Five Years Ago.

When you don't want your breakfast your stomach is out of order. Stomach trouble is either caused by weakened rundown system, or will eventually be followed by that condition.

Mrs. L. D. Cook, Vineland, N. J., says: "I was sick two years with indigestion. My stomach seemed to have a heavy lead in it and at other times it seemed to be tied in knots. Nobody knows how I suffered."

"I tried a great many doctors and a great many kinds of medicine but nothing did any good until I took Vinol. It has helped me wonderfully. I am improving fast, feel better and am getting my flesh back again. Vinol has done me a world of good."

We know the great power of Vinol in curing chronic stomach trouble and building up all weakened rundown persons, and that is why we guarantee it as we do.

Gratham & Company Druggists, Connellsville. Vinol is sold in West Connellsville by Fred H. Harmaning.

THE ARCADE.

Ed Wynn's Ragtime Reception and Sunny South Company played to capacity last night and night at the Arcade theatre yesterday. The show in the manner presented was a big hit and will long be remembered by the people present. The show opens with an old time minstrel part with specialties including the well known artists as the Southern Quartette comprised of Messrs. Gant, Chilton, Jenkins and Gordon, rendering vocal selections of well known repertory. The particular selection that caused roars of laughter and applause was one depicting the characters of the Irish, German and Hebrew.

Miss Fannie Jackson, the Creole nightingale, is another that deserves praise for the manner in which her songs were rendered. She has a voice that is true and clear and a stage presence that is excellent.

Nora Gott, billed as the Dixie Girl, possessed also Ed Wynn's lightning crayon sketches. Chas. Gordon, the eccentric duck dancer, is another act that shows excellent work, and Harry Jenkins, the little man with the big voice, is good. The show closes with an elaborate reproduction of the Sunny South showing the cotton pickers at work in the fields, mingled with funny sayings and dances.

It will be worth your while to see this company as they are here for two days only. Henry Gant is formerly of Cole S. Johnson's big attraction and Richard Merg's leaders of minstrelsy.

Charles Tony, aged 10, had two fingers amputated at the Uniontown hospital yesterday. He hit a dynamite cap with a hammer.

HIGH SCHOOL WINDS UP SEASON WITH A VICTORY

Defeated Pittsburg High School by 16-5 Score—Seniors Got Chance to Go Into the Contest.

A big crowd yesterday afternoon saw High School close its 1911 season with a victory over Pittsburg. High School by a 16-5 score. The seniors were the main feature of the team as Coach Smith sent all his seniors substitutes into the game. It being their last opportunity to play football for a "hit" if they already did not have one. The Juniors, Sophomores and Freshmen were itching to get into the contest but Smith was judicious. The game was played at Pittsburg and High School had shown a fine form the score would have been much higher. High School did not have as good a record this year as last but made a mighty creditable showing as it was necessary to practice its recent on the line played this year. Two defeats were sustained, one at the 100 yard and the other at Johnstown.

Football Notes:
One of the greatest struggles on the Western gridiron this season was the Minnesota-Wisconsin 6-5 tie game.

The Dartmouth eleven made a first showing this season but was not quite strong enough to down Princeton or Harvard.

Trinity College with only 370 students, turned out an eleven that defeated Colgate, Wesleyan and the Massachusetts Aggies.

Timmy Thorpe of the Cal-11 eleven, is one of the wonders of the athletic world. Cal-11 came to the 1908 with no knowledge whatever of athletics. He has since then accomplished a marvelous variety of athletic feats on floor, track, diamond, track and field.

With the Flowers:
Alf Lynch, the Canadian bantam, and Joe Sheen have signed to meet in New Haven, December 14.

The defeat of K. O. Brown by "One Round" Higin has boosted Higin's stock about fifty per cent.

Baseball Notes:
Charles Klein, owner of the Clinton team, has been elected president of the Illinois-Missouri league.

A Chicago story has it that no less than six of the club regulars are to be placed on the market this winter.

Because he failed to get a safe hit in the world's series Jack Murray, of the Giants, is tagged to go on the block.

The South Bend Club of the Central league, has signed a second baseman named Andrew Spychalski. Did you get it?

If "Buddy" Ryan can live up to his reputation gained on the Pacific Coast, Cleveland will surely have a bunch of sluggers next season.

The recent death of President Russell, of the Boston Nationals, will no doubt cause the sale of the Rustlers and a change in the management.

Now that Hal Chase has resigned as manager of the New York Americans, a Gotham fan is trying to figure out who will lead the Yankees next season.

From all accounts Meers Ebbets, of Brooklyn, Porro, of Philadelphia and Murphy, of Chicago, made a big hit with the minor league managers at the recent meeting in San Antonio, Texas.

Hot Springs, Ark., will get the bulk of the big leaguers during the training season. The Philadelphia, Pittsburgh, Brooklyn and Cincinnati teams of the National league, and the Cleveland and Boston teams of the American league will work out among the Ozarks.

Now is the time to begin your Christmas shopping.

Sore Throat. If every mother could realize the danger that lurks behind every case of sore throat, she wouldn't wait until she had effected a cure every time a child has it.

Your family physician will verify the statement that it is a positive fact that over child with sore throat is in immediate danger of contracting Group, Quinry, Tonsillitis or Diphtheria, and is not removed from that danger until the throat is cured. Think of it! Liniments or outward application of medicines do not and cannot cure the ailment, though they may offer temporary relief. Neither can you cure sore throat with a cough syrup or a cold cure. To cure, you must get at the seat of the disease, removing the cause. Nothing does that so quickly, safely and surely as TONSILINE. A single dose of TONSILINE taken upon the first appearance of sore throat may save long weeks of sickness, great expense, worry, even death. TONSILINE is the stilled in time. Use a little sore throat wisdom and buy a bottle of TONSILINE today. You may need it tomorrow.

TONSILINE is the standard sore throat remedy—best known and most effective and most used. Look for the long necked fellow on the bottle when you go to the drug store to get it. 25 cents and 50 cents. Hospital Size \$1.00. All Druggists.
